

INVITATION FOR STUDENTS

Are you an artist and looking for a challenge in design?

Are you an economist, manager, marketer and would you like to deal with some crazy good marketing ideas?

Are you a computer expert, graphic designer and would like to show the world that despite the progress of modern technology you can still create something new?

All students regardless of what they are studying are welcome.

DO SOMETHING, BE IMPORTANT!

What is Business Hive?

Business hive is competition for all students who are innovative, unique and are a little bit interesting in business. In just five days you will have opportunity to work with prospective companies and learn useful things and facts about business. You will learn from the best speakers at the moment who will help you to deal with case and win the competition. Give it a try!

What do you need to do?

Fill the application on our website and introduce yourself in an interesting way. Inspire us!

You can read more about Business Hive and fill the application on: <http://business-hive.com/>
